Letter of recommendation

Hr. Jan Lass have worked on behalf of Avidok/Flensburg, within our company SAM Electronics GmbH in Hamburg, for the time period of June 2008 to December 2009.

Hr. Jan Lass worked as Technical Writer for fixed contract term of 18 months with the following working tasks:

- Structure of documentation
- Writing documentation (Ships Radar and Automation systems)
- Reviewing documentation
- Defining documentation standards

Our product development program of Navigation and Automation system for marine use (being marketed as "NACOS Platinum series"), have greatly benefited from the dedicated and reliable working efforts from Hr. Jan Lass. Documentation for critical products onboard ships is to be reliable and well-written in order to satisfy our customers as well as extensive requirements from public authorities.

Hr. Jan Lass have been a strong contributor to the team and have delivered a very high quality of work, exceeding what we had expected, so we can give our sincere recommendation of Hr. Jan Lass for any new assignment he is looking for, either in contract form or as a fixed employee.

Best regards,

Tim Lysholt Jensen
